

**National Policy Workshop**  
**“Energy Efficiency policy in Belarus.**  
**Role of innovation in promoting the energy efficiency”**  
Venue: “BELARUS” Hotel, 15 Storozhevskaya str.

**AGENDA**

- 9:30 – 10:00**     **Registration**
- 10:00 -10:30**     **Welcome from the organizers**  
**Presentation of the INNOVER-EAST project**  
*Klaudia Tvergyak, INNOVER-EAST project manager, Bay Zoltán Nonprofit Ltd. for Applied Research, Hungary*

**Part I: Current state and development trends of the national energy efficiency and energy policy**

- Moderator:**     **PhD, prof. Tatyana Pospelova, ENECA - Energy Engineering and Consulting Company**
- 10:30 – 10:45**     **The main areas of the national EE policy in Belarus with a focus on innovation and energy services**  
*Dmitry Kulak, Minsk City Department for the Supervision of Effectiev Use of Fuel and Energy Resources, Department for Energy Efficiency of the State Committee for Standartization, Belarus (TBC)*
- 10:45 – 11:15**     **National policy and practices of EE and RES innovations in buildings**  
*PhD, prof. Leonid Danilevsky, Unitary Enterprise “Institute of Housing – NIPTIS named after Ataev S.S.”, Ministry of Architecture and Construction*
- 11:15 – 11:30**     **Coffee-break**

INNOVER-EAST Project has received funding from the European Union’s Seventh Framework Programme for research, technological development and demonstration under grant agreement no № 609570

- 11:30 – 12:10** **Current trends of energy systems innovative development in Europe**  
*Prof. Neven Duic, International Center for Sustainable Development of Energy, Water and Environment Systems, Zagreb, Croatia*
- 12:10 – 12:25** **State support for innovation activities**  
*Evgeny Malchevsky, PhD, State Committee on Science and Technology of Belarus*
- 12:25 – 12:40** **Role of public-private partnership in ensuring the innovative development and energy security**  
*Vladimir Nistiuk, Managing Director, “Renewable Energy” Association, Belarus*
- 12:40 – 12:55** **Belarus – EU sector dialogue in research and innovation – opportunities for promoting cooperation in energy and EE**  
*Olga Meerovskaya, Belarusian Institute of System Analysis and Information Support of S&T Sphere*  
**Q&A**
- 13:15 – 14:00** **Working lunch**

**Part II: Sharing experience and best practices in implementing innovation in EE and providing the energy services**

- Moderator:** **Ph.d., professor, Tatyana Pospelova, ENECA - Energy Engineering and Consulting Company**
- 14:00 – 14:20** **Innovative solutions in sustainable energy projects**  
*Grigoriy Kuzmich, ENECA - Energy Engineering and Consulting Company*
- 14:20 – 15:00** **Experience of energy services providing with a focus on financing the retrofitting of buildings, including labeling through ESCO<sup>1</sup>**  
*Dr. Tomislav Pukšec, International Center for Sustainable Development of Energy, Water and Environment Systems, Zagreb, Croatia*
- 15:00 – 15:30** **Implementation of energy efficiency principles in urban planning: example of multifamily housing of the district of c. Brest**  
*Nata Amialchuk, Republican scientific-design company “Institute of Regional and Urban Planning”, Ministry of Construction and Architecture, Belarus*
- 15:30 – 15:45** **Coffee-break**

<sup>1</sup> Consecutive translation

INNOVER-EAST Project has received funding from the European Union’s Seventh Framework Programme for research, technological development and demonstration under grant agreement no № 609570

- 15:45 – 16:15**    **Energy efficient buildings in CIS countries. Challenges and solutions**  
*Alexander Kucheravy, Work Depot & Co*
- 16:15 – 16:30**    **Experience of credit financing of EE & RES projects (EBRD project – Belarus Sustainable Energy Finance Facility, BelSEFF)**  
*Vasily Tarasevich, project manager, KPMG International in Belarus*
- 16:30 – 16:45**    Q&A

### **Part III. Recommendations on improving the national EE policy and innovation activities in Belarus**

**Moderator:**    **Vladimir Kouzmitch**, *ENECA - Energy Engineering and Consulting Company*

**16:45 – 17:45**    Elaborating recommendations. Round-table discussion  
*All participants*

### **Wrap-up and closure**

Materials presented at the Workshop will be uploaded after the event in the National Science Portal, <http://scienceportal.org.by> and the web-site of the National Information Point for EU Research and Innovation Programmes in Belarus, <http://fp7-nip.org.by> (see the section “Horizon 2020”).
